

S&P Global Licensing Terms and Conditions

The following Agreement will govern licensing for the S&P GLOBAL Solutions as detailed in an Order. By accessing the Solutions, Customer accepts and agrees to be bound by this Agreement.

Description. This Agreement sets out the general terms and conditions under which S&P GLOBAL agrees to provide, and Customer agrees to receive and use, certain Solutions. Capitalized terms used in this Agreement are defined in Section 1 or elsewhere in this Agreement.

Orders. The specific Solutions shall be identified and set out in separate Orders that shall (unless expressly stated otherwise) incorporate the terms and conditions of this Agreement, and Customer hereby acknowledges and agrees that any access to and use of the applicable Solutions shall be in accordance with and solely and exclusively for the purposes set out therein.

Parties. Affiliates of the Parties may enter into Orders governed by this Agreement. In such circumstances, references to "Customer", "S&P GLOBAL" or a "Party" in this Agreement shall be read, for the purposes of such Order, to mean the specific Customer Affiliate and/or S&P GLOBAL Affiliate (as applicable) identified in and executing such Order.

This Agreement shall be effective from, and continue in full force and effect as of, the Effective Date and the provisions of this Agreement shall, unless expressed to survive termination, continue to apply to each Order until the expiry of its Term.

3. FEES, PAYMENT, AND TAXES.

3.1. S&P GLOBAL will invoice Customer for all Fees and Expenses due under any Order and Customer will pay the Fees and Expenses in the currency specified in the Order within thirty (30) days from date of the invoice issued to Customer without set-off, withholding or deduction. Customer will, in addition, pay interest on any overdue sum at the lesser of one percent (1%) per month or the maximum percent permitted under applicable law until payment is made in full (including any such interest). Customer is responsible, and shall reimburse S&P GLOBAL, for all costs and expenses incurred by S&P GLOBAL in collecting unpaid Fees, Expenses or other amounts due hereunder. Additionally, if a Customer-issued purchase order is required in connection with any Order and Customer has not delivered such purchase order to S&P GLOBAL within thirty (30) days of execution of the applicable Order, then S&P GLOBAL reserves the right to issue invoice(s) under such Order without receiving the Customer-issued purchase order.

3.2. In addition to the Fees, Customer will pay to S&P GLOBAL or to the relevant taxing authority, as appropriate, any applicable sales, use, goods and services, value added, withholding or similar taxes payable (including any penalties, interest or similar charges in lieu of failure to timely pay) under this Agreement or an Order so that after payment of such taxes the amount S&P GLOBAL receives is not less than the Fees.

3.3. Unless otherwise stated in an Exhibit or agreed in the Order, S&P GLOBAL reserves the right to modify the Fees by providing at least sixty(60) days' prior written notice to the Customer before the beginning of any renewal term.

3.4. The Fees to be paid by Customer to S&P GLOBAL under this Agreement and each applicable Order are based on the type, scope and extent of the Solutions, and rights thereto, as agreed by Customer. If Customer wishes to obtain a broader license in respect of additional rights or Solutions, Customer shall contact S&P GLOBAL to discuss the various licensing options.

4. LICENSE AND USE.

4.1. License.

4.1.1. Any license(s) granted to Customer by S&P GLOBAL shall be detailed in the appropriate Order and shall be subject to and contingent upon Customer's compliance with the terms and conditions of this Agreement and such Order. Customer and its Authorized Users may access and use the Solutions in the manner permitted in the applicable Order and, unless otherwise expressly provided therein, solely for Customer's internal use.

4.1.2. Customer assumes full liability and responsibility for the acts and omissions of its Authorized Users and will take all reasonable steps to ensure that no unauthorized persons shall have access to any of the Solutions and, with respect to named or specified Authorized Users, maintain an up-to-date list of all such users and make such list available for inspection at S&P GLOBAL's reasonable request.

4.2. Delivery. Customer shall be solely responsible for any and all equipment, facilities and/or connections necessary to enable transmission or delivery of the Solutions ("**Delivery**") to Customer's own systems. S&P GLOBAL shall have no responsibility for any such equipment, facilities or connections. Where Delivery of a particular Solution is provided by way of login access codes, user names and/or passwords, or any combination thereof ("**Logins**"), Customer acknowledges and agrees that these are only for Authorized Users' use and may not be shared with anyone else. If a Login is issued on a named Authorized User basis, then such Login is personal to, and for use only by, the named Authorized User to whom it is issued. Unless otherwise stated in an Order, delivery of any Product physically shipped is deemed to have occurred and risk of loss has passed upon commencement of such shipment. Where S&P GLOBAL provides any Login to Customer that allows Customer to access or to take possession of the Product through electronic or digital means, Delivery is deemed to have occurred and risk of loss has passed to Customer upon Delivery of such Login. With respect to Services which comprise the performance of consultancy and/or software implementation work or the results of such Services, delivery is deemed to have occurred upon completion thereof (or when each Service milestone, as applicable, is completed) in accordance with the Order. S&P GLOBAL reserves the right to cancel without liability to Customer any Login and/or assign replacement Logins to Customer if S&P GLOBAL (acting reasonably) suspects unauthorized use of any such Login.

4.3. Security. Customer shall at all times maintain security systems and procedures no less stringent than those it applies to its own similar confidential or sensitive data and/or systems to prevent any unauthorized access to, misuse of, or disruption to the Solutions or to its or S&P GLOBAL's systems. These shall include, at a minimum: (a) establishing and maintaining all reasonable procedures and systems to allow for the delivery of Solutions in accordance with this Agreement and any Order, and to ensure that the Solutions are accessible only by Authorized Users and protected from unauthorized access, misuse, damage or disruption; and (b) promptly giving written notice to S&P GLOBAL of any unauthorized access to or misuse of the Solutions, S&P GLOBAL's systems or Customer's systems of which it is aware, including reasonable detail of the security breach and the measures taken to cure it.

4.4. Terms of Use. In addition to the terms and conditions of this Agreement and any Order, Customer's access to and use of the S&P GLOBAL website(s) or any Solutions shall be in accordance with any "Terms of Use" contained therein; provided, that to the extent any terms in such "Terms of Use" are inconsistent with or conflict with the terms and conditions of this Agreement and/or any Order, the terms and conditions of this Agreement and/or such Order shall prevail.

4.5. Use Restrictions. Except as expressly permitted in an Order, Customer shall not: (a) remove, suppress or modify in any way the proprietary markings, including any trademark or copyright notice, used in relation to the Solutions; (b) refer to any of the Solutions or any trademark or copyright notice used in relation thereto, in a way which does or may imply (i) that any Solutions form part of the services or products offered to Customer's clients, or (ii) that S&P GLOBAL is responsible for the accuracy or quality of the services or any other information or data that Customer provides to its clients; (c) copy, distribute, display, publish, republish, scan, transfer, sell, license, lease, give, permanently retain, decompile, reverse engineer, modify or otherwise reproduce, disclose or make available to others (including its Affiliates), or create derivative works from, any of the Solutions; (d) circumvent or disable any security or technological measures

of any Solutions; (e) use the Solutions for any illegal or unlawful purpose or in a manner which is competitive with or which would create a functional substitute for any Solutions; (f) violate any applicable local, state, national or international law, statute, ordinance, rule or regulation, including any of the foregoing relating to competition or antitrust matters; or (g) infringe, violate, breach or otherwise contravene any rights of S&P GLOBAL, its Affiliates or any third-party (including any Third-Party Provider), including any copyright, database right, trademark, patent, right of confidence or any other proprietary or intellectual property right in connection with any of the Solutions.

4.6. Modification. The Solutions are subject to modification (including addition, alteration or deletion) by S&P GLOBAL: (a) to reflect statistical, technical, administrative, market-based or other changes that S&P GLOBAL determines in its sole discretion, acting in good faith, are required or desirable; (b) to comply with the requirements of S&P GLOBAL's Third-Party Providers; or (c) in connection with any legal, regulatory or market-based changes that S&P GLOBAL determines in its sole discretion, acting in good faith, may affect such Solutions.

5. OWNERSHIP OF INTELLECTUAL PROPERTY.

5.1. As between S&P GLOBAL and Customer, S&P GLOBAL (or its Affiliates or Third-Party Providers) owns the Solutions, and Customer owns all Customer Information. If Customer provides S&P GLOBAL with suggestions and/or feedback, S&P GLOBAL may use such suggestions and/or feedback without any obligation to Customer. Customer acknowledges that the Solutions shall not be considered works for hire, and were developed, compiled, prepared, revised, selected and arranged by S&P GLOBAL, its Affiliates and/or Third-Party Providers through the application of methods and standards of judgment developed and applied through the expenditure of substantial time, effort and money. The Solutions constitute valuable intellectual property and trade secrets of S&P GLOBAL (or its relevant Affiliates or Third-Party Providers as the case may be), the unauthorized disclosure, use or dissemination of which would cause irreparable harm and constitute a free ride on S&P GLOBAL's labor and efforts.

5.2. Customer acknowledges that certain Third-Party Providers may have rights in the software, data or information forming part of or comprising the Solutions and agrees to comply with any restriction or condition imposed by Third-Party Providers relating to such software, data or information as notified by S&P GLOBAL or such Third-Party Providers. As part of such compliance, Customer may be required to enter into a separate agreement with S&P GLOBAL or a Third-Party Provider in order to receive or continue to receive such data. Third-Party Provider restrictions and notice may be provided at <https://www.spglobal.com/en/terms-of-use> and/or supplied within the Solutions, an Order, or directly by the Third-Party Provider.

5.3. Customer acknowledges that, as a reasonable protection of the proprietary rights in the Solutions and to avoid any breach of S&P GLOBAL's obligations to Third-Party Providers, any dissemination or distribution of data or information identical to or derived from any of the Solutions shall (other than as permitted expressly under this Agreement or the relevant Order) be deemed a material breach of this Agreement and the relevant Order. Customer agrees to use commercially reasonable efforts to protect the proprietary rights of S&P GLOBAL, its Affiliates, and/or the relevant Third-Party Providers in the Solutions (and to comply with all reasonable written requests made by S&P GLOBAL to protect and enforce such rights).

6. CONFIDENTIAL INFORMATION.

6.1. Each Party (a "Recipient") will keep confidential the Confidential Information of the other Party (the "Discloser"), using the same degree of care it uses to protect its own information of like nature, but in no event less than a reasonable degree of care. Recipient will use Discloser's Confidential Information internally solely for the purpose of performing its obligations and/or receiving the benefit of its rights in accordance with the terms of this Agreement and applicable Order or as may be agreed upon in writing by Discloser. Recipient shall not (without the prior written consent of the Discloser) disclose any Confidential Information to any person other than its (and, in the case of S&P GLOBAL, its Affiliates' and Third-Party Providers') employees, officers, accountants and/or legal advisors, who in each case have a need to access such Confidential Information for Recipient to perform its obligations and/or receive the benefit of its rights under the Agreement or an Order and who are subject to binding use and disclosure restrictions at

least as protective as those described in the Agreement and/or Order (collectively, "Representatives").

6.2. Each Party assumes full liability and responsibility for the acts and omissions of its Representatives with respect to such Confidential Information and their compliance with the confidentiality obligations herein.

6.3. Confidential Information does not include information that: (a) is now or subsequently becomes public knowledge through no breach on the part of Recipient or its Representatives; (b) Recipient can demonstrate was rightfully in its possession without any obligation of confidentiality before receipt from Discloser; (c) Recipient independently develops without using any Confidential Information of the Discloser; or (d) Recipient obtains from a third-party without any obligation of confidentiality.

6.4. Recipient may disclose Discloser's Confidential Information to the extent required by applicable law or any judicial or government request or order if (i) Recipient gives (where allowed by law to do so) prompt written notice to Discloser to give Discloser the opportunity to prevent disclosure or protect Discloser Confidential Information, (ii) the Recipient making such disclosure shall reasonably cooperate with any efforts by the Discloser to seek confidential treatment of the information to be disclosed by the Recipient and (iii) no such information shall otherwise be divested of its status, either retroactively or thereafter, as Confidential Information except to the extent otherwise required by law.

7. INDEMNIFICATION.

7.1. By S&P GLOBAL.

7.1.1. Except as otherwise expressly set forth in an Order, S&P GLOBAL will defend Customer (and its Affiliates that are covered by the applicable Solutions license) and their respective directors, officers, agents, employees, successors and permitted assigns ("Customer Indemnitees") from and against any claim, suit or proceeding by a third-party alleging that the provision of the Solutions by S&P GLOBAL, when used by Customer in accordance with the terms of this Agreement and the relevant Order, infringes any patent, trade secret, copyright or other proprietary rights of such third-party ("Customer Infringement Claim") and will (a) indemnify and hold harmless Customer Indemnitees from any damages (and related and reasonable attorney's fees) awarded by a court in favor of a third-party arising from such a Customer Infringement Claim; or (b) pay the sum agreed upon by S&P GLOBAL in settlement of such Customer Infringement Claim in accordance with Section 7.3 below.

7.1.2. S&P GLOBAL will have no liability under this Agreement or any Order for any Customer Infringement Claim arising from: (a) access, distribution or other use of the Solutions in breach of the Agreement or the applicable Order; (b) modification of the Solutions (including the combination of any of the same with any other services, software or data) not specifically authorized in writing by S&P GLOBAL or made in accordance with the Documentation; (c) use of a version of the Solutions other than the then-current version, if the infringement would have been avoided by use of the then-current version; (d) compliance with protocols, designs, plans, or specifications furnished by or on behalf of the Customer; or (e) any action against Customer asserting that the Solutions infringe any rights over a technology, method or invention that is in such widespread unlicensed or freely or openly licensed use by third-parties as to be reasonably considered a fundamental public domain element.

7.1.3. If any of the Solutions are held by a court of competent jurisdiction or believed by S&P GLOBAL to infringe, S&P GLOBAL may choose, at its sole expense, (a) to modify the Solutions so that they are non-infringing; (b) to replace the Solutions with non-infringing and functionally equivalent Solutions; (c) to obtain a license for Customer to continue to use the Solutions; or, if none of (a), (b), or (c) is commercially reasonable, then (d) to terminate the Order for the infringing Solutions and refund Fees paid for such infringing Solutions; (i) in the case of provision of a subscription, prorated from the date of the Customer Infringement Claim; or (ii) in the case of provision of software granted on a perpetual basis, based upon a five (5) year depreciation schedule. This Section 7.1 states the entire liability of S&P GLOBAL and Customer's sole and exclusive remedy for any infringement of third-party proprietary rights of any kind.

7.2. By Customer.

7.2.1. Customer will defend S&P GLOBAL, its Affiliates and Third-Party Providers, and each of their respective directors, officers, employees,

successors and permitted assigns ("S&P GLOBAL Indemnitees") from and against any claim, suit or proceeding by a third-party alleging that Customer Information and/or material, data, methodologies, software, information and/or equipment provided by Customer to S&P GLOBAL or its Affiliates in connection with the Solutions infringes or misappropriates any patent, trade secret, copyright or other proprietary rights of such third-party ("S&P GLOBAL Infringement Claim") and will (a) indemnify and hold harmless S&P GLOBAL Indemnitees from any damages (and related and reasonable attorney's fees) awarded by a court in favor of a third-party arising from such an S&P GLOBAL Infringement Claim; or (b) pay the sum agreed upon by Customer in settlement of such S&P GLOBAL Infringement Claim in accordance with [Section 7.3](#) below. If Customer Information and/or such material, data, methodologies, software, information and/or equipment provided by Customer to S&P GLOBAL is held or is reasonably believed by S&P GLOBAL to infringe, S&P GLOBAL will cease using it and will not be liable to Customer for any breach of the Agreement and/or Order for which the Customer Information was provided.

7.2.2. Customer will indemnify, defend and hold harmless S&P GLOBAL Indemnitees for any losses, liabilities, damages, cost (including reasonable attorneys' fees) and expenses arising as a result of: (a) any claim, suit or proceeding brought by any third-party against any S&P GLOBAL Indemnitees in connection with any third-party's access or use of any Solutions (or data or Customer services or products created, enhanced or derived therefrom or in connection therewith) permitted or suffered by Customer or its Affiliates (regardless of whether S&P GLOBAL granted consent for such use); or (b) any use of Solutions in breach of the terms of this Agreement and/or an Order.

7.3. Indemnification Procedure. The indemnification obligations of each Party under this [Section 7](#) are contingent upon the indemnified Party providing to the indemnifying Party: (a) prompt written notice of the alleged claim (save that failure to provide such notice will not excuse the indemnifying Party's from its indemnity obligations and duties to defend, except to the extent that the indemnifying Party's ability to defend or settle the relevant claim is actually prejudiced by such failure); (b) the right to sole control of the defense or settlement of the alleged claim; and (c) reasonable cooperation and assistance, at the indemnifying Party's expense. If the indemnified Party chooses to participate in proceedings and/or be represented by counsel, it will be at the indemnified Party's sole cost and expense. The indemnifying Party shall not enter into any settlement or compromise of any such claim, or make any attribution of fault or wrongdoing to, or admission on behalf of, the indemnified Party that would impose on them any liability or obligation without the indemnified Party's prior written consent.

8. DISCLAIMER AND LIMITATION OF LIABILITY.

8.1. Disclaimer of Warranties. CUSTOMER AGREES THAT SOLUTIONS PROVIDED UNDER THIS AGREEMENT OR ANY ORDER ARE "AS IS" AND TO THE MAXIMUM EXTENT ALLOWED BY LAW, NEITHER S&P GLOBAL, ITS AFFILIATES NOR ANY THIRD-PARTY PROVIDER MAKES ANY REPRESENTATION, WARRANTY, CONDITION, OR UNDERTAKING, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, RELATING TO: (A) THE SOLUTIONS OR THE RESULTS OBTAINED IN USING THEM; OR (B) ANY DOCUMENTATION OR MATERIALS PROVIDED OR MADE AVAILABLE UNDER THIS AGREEMENT OR AN ORDER, INCLUDING: I) THEIR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE; OR II) THEIR CONTINUITY, ACCURACY, TIMELINESS OR COMPLETENESS, and Customer acknowledges that it has not relied upon any representation, warranty, condition, or undertaking (express or implied) made by S&P GLOBAL, its Affiliates or any Third-Party Provider, except those expressly set forth in this Agreement or an applicable Order.

8.2. Neither S&P GLOBAL, its Affiliates nor any Third-Party Provider shall in any way be liable to Customer, whether in contract (including under an indemnity), in tort (including negligence), under a warranty (express or implied), under statute or otherwise, in respect of any loss or damage suffered by Customer or any Affiliate or client of Customer arising in respect of, or in connection with (a) any inaccuracy, error or omission, regardless of cause, in any of the Solutions; or (b) any advice, opinion, recommendation, guidance, forecast, judgment, publication, conclusion or any course of action (or inaction) of Customer or any Affiliate or client of Customer, made or taken in reliance of, or based on, any of the Solutions.

8.3. NEITHER S&P GLOBAL, ITS AFFILIATES OR THIRD-PARTY PROVIDERS, NOR CUSTOMER, WILL BE LIABLE FOR ANY CONSEQUENTIAL, PUNITIVE, SPECIAL, OR OTHER INDIRECT DAMAGES, INCLUDING: (A) ANY LOSS OF ACTUAL OR ANTICIPATED PROFITS, REVENUE, SAVINGS, OR BUSINESS; (B) LOSS OF DATA OR INFORMATION; (C) LOSS OF GOOD WILL, REPUTATION, OR SIMILAR LOSSES; OR (D) BUSINESS INTERRUPTIONS ARISING OUT OF OR RELATED TO THE AGREEMENT OR AN ORDER OR ANY USE OF OR INABILITY TO USE THE SOLUTIONS, EVEN IF ADVISED IN ADVANCE OF THE POSSIBILITY OF ANY SUCH LOSSES OR DAMAGES.

8.4. Except for each Party's indemnification obligations under [Section\(s\) 7.1 and 7.2](#), the maximum liability of S&P GLOBAL, its Affiliates and Third-Party Providers to Customer, and Customer to S&P GLOBAL, its Affiliates and Third-Party Providers, in each case for all claims under this Agreement or an Order, whether in contract, in tort (including negligence), under a warranty (express or implied), under statute or otherwise, will be limited to financial compensation up to a sum not to exceed: (a) in the case of Products and recurring Services, the Fees paid (or in Customer's case, payable) by Customer to S&P GLOBAL or its Affiliates in the prior twelve (12) months for the relevant Product(s) to which the liability relates; or (b) in case of the non-recurring Services, consultancy work, and/or software implementation, financial compensation up to a sum not to exceed the Fees paid (or in Customer's case, payable) by Customer to S&P GLOBAL or its Affiliates for such Services that are the subject of the claim.

8.5. Exclusions. The limits on liability set out in this [Section 8](#) shall not apply in respect of liability of a Party for damages related to death or personal injury resulting from gross negligence or willful default or any damages or liability arising as a result of fraud or fraudulent misrepresentation of a Party or which cannot be excluded under applicable law. The limits on liability set out in [Sections 8.3 and 8.4](#) shall not apply in respect of liability of a Party for damages related to: (a) claims or losses based upon breaches by Customer (or its Affiliates or Authorized Users) of its license/authorized use; and/or (b) Customer's liability under [Section 3](#) (Fees, Payment and Taxes).

8.6. In the event of a breach or threatened breach of any of the provisions of this Agreement or an Order by either Party, its Affiliates, or any of its Authorized Users; the other Party shall be entitled to seek injunctive relief to enforce the provisions of this Agreement or the relevant Order, but nothing herein shall preclude such Party from pursuing any other action or remedy.

9. TERMINATION.

9.1. Termination by S&P GLOBAL. S&P GLOBAL may terminate any specific Order and cancel or withdraw any of the Solutions provided pursuant to such Order:

(a) upon written notice to Customer at such time as it reasonably determines that the data, software, technology, materials, information or other intellectual property used to provide such Solutions is not commercially satisfactory in terms of legality, quality, volume, availability or significance, or the Solutions (in S&P GLOBAL's good faith determination) become unlawful, subject to a third-party claim or are to be otherwise discontinued, provided that any such termination by S&P GLOBAL applies to its customers generally;

(b) in the event of a material breach by Customer of any of the provisions of this Agreement or the applicable Order and (where the breach is capable of being remedied) that breach has not been remedied within thirty (30) days after its receipt of written notice thereof;

(c) upon the occurrence of Customer having a receiver or administrator appointed, passing a resolution for winding up or a court of competent jurisdiction making an order to that effect, becoming subject to an administration order, entering into a voluntary arrangement with its creditors or anything equivalent to the foregoing occurring under national or local law, except where for the purposes of a solvent and bona fide amalgamation or reorganization; or

(d) upon any change of control of Customer or its relevant Affiliates (whether by merger, stock transfer or otherwise) or any sale, lease or other transfer of all or substantially all of the assets of Customer or its relevant Affiliates.

9.2. Termination by Customer. Customer may terminate any specific Order and cancel its access to the Solutions provided pursuant to such Order:

(a) in the event of a material breach by S&P GLOBAL of any of the provisions of the applicable Order and (where the breach is capable of being remedied)

that breach has not been remedied within thirty (30) days after its receipt of written notice thereof;

(b) upon written notice to S&P GLOBAL at any time that the use of such Solutions (as permitted under this Agreement and the applicable Order) has, pursuant to the judgment of a court of competent jurisdiction or a regulatory agency, become unlawful; or

(c) upon the occurrence of S&P GLOBAL having a receiver, administrative receiver or an administrator appointed, passing a resolution for winding up or a court of competent jurisdiction making an order to that effect, becoming subject to an administration order, entering into a voluntary arrangement with its creditors or anything equivalent to the foregoing occurring under national or local law, except where for the purposes of a solvent and bona fide amalgamation or reorganization.

9.3. No termination relieves either Party of any liability incurred prior to such termination, or Customer's payment obligation for unaffected Solutions. Upon the termination of this Agreement or any Order, all Fees and Expenses owed by Customer through the date of termination automatically and immediately become due and payable.

9.4. S&P GLOBAL is entitled to suspend with immediate effect the license to any of the Solutions for late or non-payment, or if in S&P GLOBAL's reasonable opinion: (a) Customer is in breach of the terms of this Agreement or any Order or any license granted therein; (b) Customer fails to cooperate with any reasonable investigation of a suspected breach; or (c) it is necessary to do so in order to comply with (i) any change in a material contractual requirement imposed by a Third-Party Provider or (ii) any applicable law, regulation or decision of any applicable regulatory body.

9.5. Post Termination. Upon any expiration or other termination of an Order, and unless otherwise expressly stated in an Exhibit or Order:

(a) Customer shall pay all Fees, taxes and other sums owed under such Order in respect of the period up to the date of such termination. In the event of any termination of an Order pursuant to Sections 9.1(b), 9.1(c) or 9.1(d) there will be no refund under any circumstances of any Fees paid by Customer. In the event of a termination pursuant to Sections 9.1(a) or 9.2, S&P GLOBAL shall refund Customer on a pro-rata basis such element of Fees received by S&P GLOBAL in respect of any Solutions which are the subject of the terminated Order which relate to the period after the date of such termination; and

(b) all licenses granted under the same immediately shall terminate, and Customer shall (and shall ensure any Affiliates and Authorized Users otherwise permitted access or use under the license shall) immediately cease using the Solutions provided under the expired or terminated Order. 13.10. Force Majeure. Neither Party shall be liable for delay in performing, or failure to perform, any of its obligations under this Agreement or an Order (except Customer's obligations to pay S&P GLOBAL for the Solutions) if such delay or failure results from a Force Majeure Event provided that the affected Party provides written notice to the other Party as soon as reasonably possible. In such circumstance, the affected Party shall be entitled to a reasonable extension of time for performing such obligations, and shall use commercially reasonable efforts to mitigate the effect of the Force Majeure Event on the performance of its obligations.

Save for the foregoing, the operation of the 1999 Act is hereby excluded.

Each signatory executing an Order on behalf of either Party hereby represents and warrants that they are duly authorized and have full authority to execute and deliver the Order. Each Party hereby represents and warrants to the other Party that: (a) it has the full right, power and authority to execute, deliver and perform any Order in accordance with its terms; and (b) each Order has been duly executed and delivered by or on behalf of such Party and constitutes a legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms.

13.19. Execution in Counterparts. This Agreement and/or any Order hereto may be executed simultaneously in two or more counterparts, each or which will be considered an original, but all of which together will constitute one and the same instrument.

13.20. Electronic Signatures. Each Party consents to the other Party's use of electronic signatures on this Agreement and/or Order attached or appended hereto.
