- (c) trivial or obvious; or
- (d) required to be disclosed by any court, tribunal or regulatory authority that is entitled by law to order its disclosure, save that in such instance the party whose Confidential Information is so required shall, to the extent permissible by law, be afforded the opportunity to make representations to such body in relation to such disclosure for the purpose of minimising the extent and effect of such disclosure.

- (a) the Indemnified shall promptly notify the other party ("**Indemnifier**") of the matter and consult with the Indemnifier with respect to the matter; provided, any failure by the Indemnified to provide such notice will not relieve the Indemnifier of its indemnification obligations under this Agreement except to the extent the Indemnifier can demonstrate actual, material prejudice to its ability to mount a defence as a result of such failure.
  - (b) the Indemnified shall provide to the Indemnifier and its advisors reasonable access to premises and personnel and to all relevant assets, documents and records that it possesses or controls as may be necessary or expedient in order for the Indemnifier to properly deal with such claim;
  - (c) the Indemnified shall:
    - (i) take any action and institute any proceedings, and give any information and assistance the Indemnifier may reasonably request to dispute, resist, appeal, compromise, defend, remedy or mitigate the matter, or enforce against a person (other than the Indemnified) Indemnifier's rights in relation to the matter; and

Any such letter may be delivered by hand or first class pre-paid letter and shall be treated as having been delivered(a) if delivered by hand, when so delivered; or (b) if by first class post, 5 days after posting.

14.4 Notwithstanding any other provision of this Agreement, neither party will be responsible or liable for any delay or failure in performing any of its obligations under this Agreement if such delay or failure is caused by circumstances outside its reasonable control and unknown to it at the date of this Agreement, including any failure or delay in the operation of any third party network, hardware, software or telecommunications link.

14.5 If a party (a) delays in enforcing its rights under this Agreement (whether in relation to a breach by the other party or otherwise); or (b) agrees not to enforce its rights, or to delay doing so, then unless such party expressly agrees otherwise, that delay or agreement shall not be treated as waiving the rights of such party. Any waiver of a party's rights in relation to a particular breach of this Agreement shall not operate as a waiver of any subsequent breach. No right, power or remedy to which either party is entitled under this Agreement is exclusive of any other right, power or remedy available to that party.

14.6 This Agreement is personal to the parties and neither party may assign its rights or obligations under it without the consent of the other party provided that S&P may:

- (a) assign its rights under this Agreement to an Affiliate of S&P by notifying Customer; or

provided that in each case S&P shall remain ultimately responsible to Customer for S&P's obligations hereunder. Further, S&P may assign its rights under this Agreement in connection with the sale of all or substantially all of the shares or assets of S&P or its holding company.

14.7 A person who is not party to this Agreement may not enforce any of its terms.

14.8 If any provision of this Agreement is held for any reason to be ineffective or unenforceable, this shall not affect the validity or enforceability of (a) any other provision of this Agreement; or (b) the agreement as a whole.

14.9 This Agreement is the parties' entire agreement with respect to its subject matter and supersedes any prior agreement or oral or written representations with respect thereto.

14.10 This Agreement and any Booking Form, any amendments or supplements to the foregoing documents, and any non-contractual obligations arising out of or in connection with such documents, shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without giving effect to the conflicts of laws provisions thereof. The parties hereto and their successors and assigns

irrevocably consent to the exclusive jurisdiction of any courts located in the State of New York, New York County for the resolution of any disputes arising from or related to this Agreement. Notwithstanding the foregoing, S&P may institute legal proceedings in any other jurisdiction in order to request immediate injunctive relief or specific performance, to avoid the expiration of any applicable limitations period, to preserve a superior position with respect to other creditors, or to avoid irreparable injury and damages, which may be difficult to ascertain, and the Customer will not object thereto on the basis of an adequate remedy at law, lack of irreparable harm or any other reason.

14.11 As of the Commencement Date set out in the Booking Form, to the best of S&P's knowledge, no entity 50% or more owned or controlled by a direct or indirect parent of S&P is the subject of Sanctions.

As long as this Agreement is in effect, each party will promptly notify the other party if any of these circumstances change. S&P shall have the right to immediately suspend the performance of or terminate this, if S&P determines, in its sole discretion, that S&P is required to do so to comply with applicable law or S&P corporate policy, or that Customer has breached any of the representations or covenants contained in this Section. Customer shall neither distribute nor redistribute (nor permit or facilitate a third party, through action or inaction, to distribute or redistribute) the Services and/or the Outputs to, nor use the Services and/or the Outputs in furtherance of its business with, any person subject to Sanctions or located, organized, or resident in an Embargoed Country, without the prior written consent of S&P. Otherwise data rectification and cleansing shall be the sole responsibility of Customer.

### **6. Future shortening of timescales**

6.1 S&P may in the future wish to shorten the data delivery and sign off process set out herein; however doing so would require decreasing the processing time in respect of the Customer Data and also a decrease in the period before Customer Data is submitted. Therefore if S&P notifies Customer that it has been able to decrease the time needed for the processing of the Customer Data, Customer shall correspondingly use its reasonable efforts to move up the applicable deadlines for Customer Data submission as appropriate, all subject to written agreement between the parties from time to time.
