S&P Dow Jones Indices Service Interruption

NEW YORK, MAY 30, 2024: S&P Global is aware of service outages impacting multiple products and platforms at this time. We have reestablished service in many instances and are working to bring all other impacted products and services back online as soon as possible. We continue to investigate the root cause to the outage.

S&P Dow Jones Indices' service outage temporarily affected real-time index calculation systems. All S&P Dow Jones Indices' services have resumed and are operating normally at this time.

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500[®] and the Dow Jones Industrial Average[®]. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.spglobal.com/spdji.
