S&P India Tech Index Eligible RBICS Methodology Update

NEW YORK, SEPTEMBER 4, 2024: S&P Dow Jones Indices ("S&P DJI") announces an update to the S&P India Tech Index.

To align with the changes made by FactSet's Revere Business Industry Classification System ("RBICS") L6 sub-industries classifications, S&P DJI is updating the index's eligible L6 sub-industries. The following table shows the updated L6s that will be effective at the index's next rebalancing. For the historical RBICS for this index, please see here.

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.spglobal.com/spdii.
