

All Ordinaries Index Consultation on Rebalancing Frequency – Results

SYDNEY, JANUARY 15, 2025: S&P Dow Jones Indices (“S&P DJI”) conducted a [consultation](#) with market participants on a potential change to the All Ordinaries.

In order to more quickly reflect market changes and to better align the broader S&P/ASX Series, S&P DJI is changing the rebalancing frequency of the All Ordinaries from annual to semi-annual.

The table below summarizes the change:

Change	Previous	Methodology	Updated
Rebalancing Frequency	The All Ordinaries is rebalanced annually, effective after the market close on the third Friday of March. Therefore, the entire S&P/ASX index series is rebalanced after the market close on the third Friday of March.		The All Ordinaries rebalances semi-annually , effective after the market close on the third Friday of March and September .

This change will be implemented on **Friday, September 19, 2025**, in conjunction with the September quarterly rebalancing.
