

Decommission of the S&P North America 40 ESG-Momentum Tilted EW Indices

March 28, 2025: Effective after the close of **Friday, July 11, 2025**, S&P Dow Jones Indices will no longer calculate end-of-day of the attached list of **S&P North America 40 ESG-Momentum Tilted EW Indices**. Some end-of-day files will be impacted, and others will no longer be posted to the S&P Dow Jones Indices SFTP (EDX) site as of that date.

This would also include NC, NCS, NS versions of the files where applicable.

Details about the indices are provided in the link below.
